

TRACE EVIDENCE POLICY/PROCEDURE 00-TES-18

TO: Trace Evidence Staff
FROM: SAC Troy Hamlin
SUBJECT: ASCLD/LAB Compliance Committees
DATE: January 13, 2003

To comply with ASCLD/LAB requirements, there are areas in our quality system which must be reviewed annually. To expedite this process, I have created committees to deal with these areas. These committees will have the responsibility of monitoring the respective areas in the laboratory.
