

TRACE EVIDENCE POLICY/PROCEDURE 96-TES-7

TO: Trace Evidence Staff

FROM: SAC Troy Hamlin

SUBJECT: Verification of Hair and Fiber Examinations

EFFECTIVE DATE: March 27, 2000

Chemists who effect a positive “association” of Hair and Fibers shall have their analysis verified by another chemist proficient in that discipline. The verifying chemist will record the item number and enter their initials and password in the designated space in the LIMS dialog box. The chemist will also place the date and their initials on the respective slides.
