

TRACE EVIDENCE POLICY/PROCEDURE 98-TES-7

TO: All Trace Evidence Staff

FROM: Supervisor Troy Hamlin

SUBJECT: Verification of Hair and Fiber Examinations

EFFECTIVE DATE: July 9, 1998

Chemists who effect a positive “match” of Hair and Fibers shall have their analysis verified by another chemist proficient in that discipline. The verifying chemist will record the item number and place their initials and date in the designated space on the cover sheet. The chemist will also place the date and their initials on the respective slide.
